SAVE LIVES

Join a province-wide community

Be part of the SAR Alberta community! There are 32 teams and more than 1400 volunteer search and rescue members in locations all around the province.

Help so that others may live

For the past 30 years, SAR Alberta teams have provided highly specialized assistance to lost or injured persons and many teams also now provide province-wide support during disasters.

Use the latest technology

SAR Alberta search and rescue teams are supported with funding for the latest technology including drones, satellite communication and real-time GIS mapping.

2024 Stats
